CSA/BENZIE Scholarship Application

I. Scholarship Description/Criteria

The CSA/Benzie County Scholarship is funded through charitable contributions to the Education Fund. It provides financial assistance to students in need, who reside in Benzie County at least part of the year, who have demonstrated scholastic ability and who have been accepted to and will matriculate at a college, a graduate school or a vocational program with priority being given to undergraduate candidates. Financial need is the most important criteria. The amount of the scholarships awarded each year will vary based on the level of contributions.

Scholarships are awarded each year to one graduating senior from Benzie Central HS and to one from Frankfort-Elberta HS. These scholarships will be awarded by the scholarship committees at the respective high schools. Other scholarships may also be given to members of the CSA community as awarded by the CSA Scholarship Committee. Scholarship recipients, including those from Benzie Central and Frankfort-Elberta, may reapply to the CSA Scholarship Committee for scholarships until they have been awarded a maximum of four scholarships.

Scholarships will be given as grants, not loans. Each recipient must promise to use the money to further his/her formal education. Each recipient must also pledge to give back in the future to the community by service or financially according to his/her means.

All of the information in this application will be treated as Confidential. It will be viewed only by the members of the CSA Education Fund Board.
